

FREIGHT BILL FACTORING

HOW DOES IT WORK?

You deliver freight to your customers.

Your customers may take 30, 60, even 90 DAYS to pay!

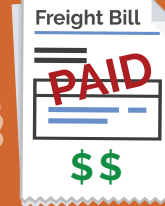

Send your freight bills to the factoring company right away.

You will receive a cash advance up to 100% of the invoice amount.

Advances will be deposited or wired within 24 hours!

The factoring company will collect the amount owed from your client.

BENEFITS of FACTORING

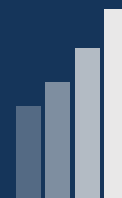

Free up time

Fuel discount card programs

Easy application and no hidden fees

Grow your company
